ABOUT US

Mann Deshi is dedicated to the economic empowerment of rural women. It was founded in 1996 in Mhaswad by Chetna Sinha in the drought-prone region of Satara district in Maharashtra.

Mann Deshi's vision is to empower women to make their own choices and to be celebrated as equal and valuable members of their families and communities. Our mission is to empower women with the knowledge, skills, courage, access and capital to become successful entrepreneurs with more control over their lives.

Our model is simple. The Mann Deshi Mahila Sahakari Bank is the country's first cooperative bank set up by and for rural women. Our 8 branches focus on financially excluded and previously unbanked women to provide affordable banking services and credit. We have 100,000 accounts and have disbursed about 400 crores in loans.

The Mann Deshi Foundation provides women with the knowledge, skills and support necessary to become successful entrepreneurs with more control over their lives. Today, we work in Maharashtra, Gujarat and Karnataka. We aim to reach one million women by 2024.

Our Chambers of Commerce programme is dedicated to providing rural women microentrepreneurs with customised advisory and financial services, expanding their market access, advocating for their concerns and helping them realise their business ambitions and dreams.

We are delighted to showcase our women's many products in this catalogue and we invite you to buy and enjoy them. Your support will go a long way towards encouraging them on their journeys to becoming successful entrepreneurs, transforming their lives and the lives of their families and communities.
